

# A GUIDE TO WHISKY FOR BEGINNERS

Welcome to the captivating realm of whisky! Whether you find yourself drawn to the elegant Scottish Highlands, the bustling streets of Ireland, the innovation of Japan, or the charm of the United States and Canada, this journey is all about savouring the "water of life" in its diverse forms.

## 1 BOURBONS

Your sweet and smoky companions, reminiscent of notes like vanilla and honey. They're the cosy fireplace of the whisky world.

## 2 RYE WHISKEYS

Bold and spicy, rye whiskies add a thrilling kick to your sipping experience. Their spicy notes make them a star in classic cocktails.

## 3 SCOTCH WHISKIES

Scotch whiskies bring an earthy, smoky flavour that captures the essence of nature itself. Picture a rugged countryside campfire.

## 4 IRISH WHISKEYS

Light and smooth, Irish whiskies dance gracefully on your palate. The character might vary, offering surprises from different distilleries.

## 5 JAPANESE WHISKIES

Embrace the enigmatic allure of Japanese whiskies. Innovative and unique, they present a mystery to unravel with every sip.
